Stop Eating Disorders Today...Chronic

Eating disorders like Binge Eating Disorder (BED), Anorexia Nervosa and Bulimia Nervosa are becoming increasingly more common in our society. The effects they can have on an individual can be devastating, irreparable and in the extreme... fatal! Historically these disorders have been treated with ineffective drugs, force feeding and seemingly endless counselling and psychoanalysis. These treatment approaches can be frustrating, even disempowering and fail to effectively address the biological, psychological and emotional aspects of the individual's needs and thus the basis of the addiction.

Advanced Laser Therapy Clinics' *Stop Eating Disorders Today...* program is a multi-faceted, holistic, **Drug Free** treatment specifically designed to...

Reduce and Eliminate the physical, psychological and emotional dependence on unhealthy eating behaviors and disorders without the use of drugs.

Detoxify the Body of harmful toxins to enhance overall well-being, lift the metabolic rate and sustain beneficial physical (weightloss/gain) and psychological (self esteem) changes.

Facilitate Change to a healthier lifestyle with effective psychological tools targeting the cause of the disorder and the associated habitual and ritual behaviors.

Advanced Laser Therapy Programs combine the latest laser technologies, vital nutrient detox and structured nutritional intake methods to provide the safest, easiest and most sustainable recovery. One 3 hour treatment (+2+2) is all that is required to...***Stop Eating Disorder Today***, eliminate emotional cravings and provide tools for healthy body weight.

Low Level Laser Therapy (LLLT) regulates appetite, alleviates physical withdrawal symptoms and stimulates the body's metabolic rate to facilitate sustainable weightloss/weightgain and lifestyle change. Solution based behaviour modification techniques during and post therapy help overcome residual psychological attachments, and a vital nutrient program provides the body with the crucial resources required to quickly relieve stress, eliminate toxins and cravings, and facilitate positive sustainable well-being. Our advanced laser technology, nutritional knowhow and exclusive client centered approaches enable the highest success rate. It is safe, easy and very effective!
