Alcohol Addiction: *Stop Drinking Today...*

Breaking free of the physical and psychological dependency on Alcohol and the habitual rituals associated with drinking can be challenging due to the availability and affordability of alcoholic beverages and the social acceptance of their consumption. Most stop drinking programmes have little impact on the psychological aspects of alcohol addiction. Many programmes are fear based, and do not address the physical and psychological aspects of the addiction. They fail to deliver the effective resources necessary to facilitate change and sustain long term drinking cessation.

Advanced Laser Therapy Clinics'... *Stop Drinking Today...* Programme is a multi-faceted, holistic **Drug Free** therapy specifically designed to...

Relieve the Physical Dependency on Alcohol without the use of drugs.

Detoxify the Body of Alcohol and toxins to enhance overall well-being and assist the body repair physical damage and help sustain physical and psychological change.

Facilitate the Change to Alcohol Free with effective psychological treatment targeting the addiction of alcohol and the associated habitual actions of drinking.

Our Advanced Laser Therapy Programmes combine the very latest laser technologies with vital nutrient detox methods and highly effective addiction counselling strategies to provide the safest, easiest and most effective stop drinking programme. One 3 hour treatment is all that is required to... ***Stop Drinking Today***, eliminate cravings and provide the tools to help you stay stopped into the future.

Our Low Level Laser Therapy (LLLT) stimulates the brain's release of endogenous neuro-chemicals, our naturally occurring opioids which assist in overcoming substance cravings and the physical symptoms of withdrawal. This is supported with vital nutrients to provide the body with crucial help needed to evacuate alcohol and residual toxic waste quickly. Solution Oriented behaviour modification therapies provided during and post treatment help overcome residual psychological attachments to the addiction for immediate and long term drinking cessation. It's safe, easy and very effective!
